

# Year 3

## Message from Year 3

Welcome back, we hope you all had a wonderful Easter and are ready for an exciting term ahead.

This term in English we will be exploring how to write for a range of purposes through the high quality text 'The Green Ship' by Quentin Blake. In maths we will be continuing to grow our understanding of measurement, money and time, and in history we will be participating in a range of activities to support our Ancient Egyptians topic including a trip to Bexhill museum.

## Home Learning

**Home learning:** Home learning tasks are based on our learning across the curriculum. Please encourage your child to choose from a range of activities to complete either on their own or with an adult.

**Reading:** Please support your child by listening and encouraging them to read their book each day at home.

**Maths:** In Year 3 we are learning the 3x, 4x and 8x tables.

## Contact
