Headteacher: Mrs Rebecca Reed BA (Hons) Ed.

Dear Parents/Carers,

21st October 2024

Year 6 DT Project

As part of our geography work around living more sustainably we will be completing a DT project this week where we recycle an old t-shirt into a bag. The plan is to complete this on Friday. If you could send your child in with an old t-shirt for them to customise and turn into a bag this would be amazing – we will have a number of spare t-shirts available. As our topic is around living more sustainably, it would be ideal if the t-shirt is one that is owned already and is no longer worn or doesn't fit. T-shirts can be brought in at any stage during this week and will be stored in the children's lockers until Friday.

Any issues or questions please email year6@chantryprimary.org.

Yours sincerely,

Becky Reed
