

Message from Mrs Little

Welcome back to an exciting Term 2. I hope you all had a wonderful break!

We have had a great start to our learning in English with a trip to Sainsbury's to kick off our 'Supertato' class text! We have also had a visit from the 'Evil Pea', where we found peas all around the room! This inspired some amazing report writing of what happened at the scene of the crime! We will be developing and consolidating children's knowledge and application of digraphs and trigraphs in writing and developing children's independence in this area. In Maths we will begin to develop our skills and understanding of addition and subtraction (including how we record these) and exploring 2D and 3D shape.

Towards the end of term we will be celebrating Christmas with our Nativity performance on **Monday 15th December at 2:00pm and Tuesday 16th December at 9:00 am.**

You can find more details of our learning for this term on our overview but there is also a brief summary below.

Home Learning/Reminders

Books are changed every WEDNESDAY—
Please fill in your child's reading records every time that they read, three or more reads (recorded in the record) earns your child a much sought after sparkly star sticker!
