

Year 2

Message from Miss Hayes-Smith and Mrs Rimmer

This term the children will be exploring the quality text 'The Last Wolf' in English and will make connections between this story and the traditional tale, Little Red Riding Hood. This will then lead their learning to Science where they will be learning about plants, where they will carry out a range of investigations to test their predictions.

We cannot wait for the children to perform at The White Rock Theatre in March where they will perform a couple of songs to a large audience!

Home Learning/Reminders

Reading: Please support your child by listening to and encouraging them to read their book each day at home .

Home learning menu: Please encourage your child to choose from a range of activities to complete either on their own or with an adult.

Learning from last term

What an incredible term 3!

Here are some pictures which celebrate the children's learning.

Keep up the BRILLIANT work, Year 2!

Topics Term 4

Once upon a time...

Plants

Safe in the world

Net and wall games
