

Year 5

Message from Mrs Maynard and Mrs Lucas

Welcome back to a busy Term 4...we are over half way through the year now and rapidly heading towards Year 6! This term we will be continuing to look at 'The Viewer' by Shaun Tan in English for a few weeks. We will then move on to looking at parts of a book called 'Skellig' written by David Almond.

Our Maths learning this term will focus on Fractions, Decimals and Percentages, as well as consolidating our knowledge of the four operations.

Some of the children will be performing their recorder pieces at the Hastings Music Festival on **Thursday 13th March** - we are really excited to watch this and hope lots of you can make it too!

We are lucky enough to be taking part in the East Sussex Book Awards this year and have an author visit booked in to meet one of the nominees: Emily-Jane Clark, 'The Beasts of Knobbly Bottom' on **Friday 14th March**.

Home Learning/Reminders

Reading practice should continue to take place daily at home - 15 minutes each day either on their own or to an adult.

Numbots or Times Table Rock Stars - again, 15 minutes daily would really support your child.

Children also have access to the Home Learning Menu activities.

Topics Term 4

Science: Forces

Humanities (History): The Tudors

French: Fruit

Music: Building a Groove

PE: Net and Wall Games (Mondays & Thursdays)

Art: Portraits

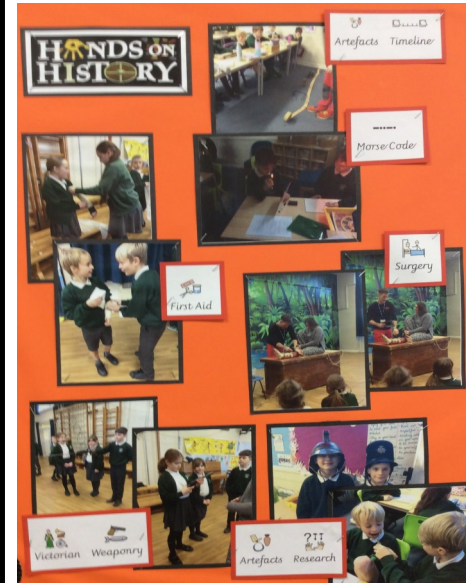

Computing: Data and information

Wellbeing: 'Safe in the World' inc. RSHE

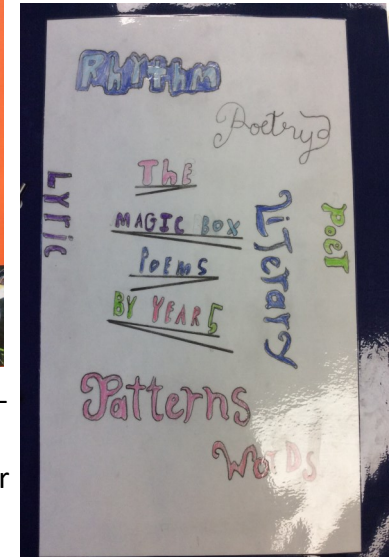

RE: Judaism

Learning from last term...

Here is just a snippet of some of our learning from last term!

We had 'Hands on History' in to deliver a Victorian workshop - this was a fantastic way to conclude our learning on 'The Victorians'.

In English we focussed on 'The Magic Box' poem by Kit Wright...our work has all been collected together to create our own class book.

At the end of term we were lucky enough to be involved in a 'Drone Coding Workshop' delivered by a professional and fully funded by the RAF.

The children were buzzing after these sessions - fantastic to see!
